OFFICE OF PETITIONS

In re Application of
Yu-Chuan et al.
Application No. 10/758,088
Filed: January 16, 2004
Attorney Docket No. 3212-53

ON PETITION

This is a decision on the petition under 37 C.F.R. § 1.137(b), filed May 20, 2009, to revive the above-identified application.

The petition is **GRANTED**.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of payment of the \$1510.00 issue fee and the \$300.00 publication fee, (2) the petition fee, and (3) a proper statement of unintentional delay.

As the Power of Attorney was only recently given to the petitioner, it is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay was unintentional, petitioner must make such an inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay was intentional, petitioner must notify the Office.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3206.

This matter is being referred to the Office of Data Management for processing into a patent.
